The University at a Glance

The Banaras Hindu University (BHU), founded by Mahamana Pandit Madan Mohan Malaviyaji in 1916, is one of the most prestigious Central Universities in the country. An autonomous institution of distinction and having the Hon'ble President of India as its Visitor, BHU is the largest residential University in Asia. Being a living embodiment of such visionaries as Mahamana Malaviyaji, Dr. Annie Besant and Dr. S. Radhakrishnan, this seat of learning epitomizes a synthesis of ancient wisdom and modern scientific temper. Its holistic model of education, conceived and enriched by its illustrious founder, offers refreshingly new perspectives to young minds and nurtures and facilitates their creative talents.
The Founder's Vision

- "It is my earnest hope and prayer that this centre of life and light, which is coming into existence, will produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal to the Supreme Ruler."
- "A teaching university would but half perform its function, if it does not seek to develop the heart power of its scholars with the same solicitude with which it develops their brain power. Hence, this university has placed formation of character in youth as one of its principal objects. It will seek not merely to turn out men as Engineers, Scientists, Doctors, Theologists, Merchants, but also as men of high character, probity and honour, whose conduct through life would show that they bear the hallmark of a great university."

The University

This university was conceived as a residential university, keeping in view its objective of complete character development and thorough mentoring of students. Perhaps this is the only university in the world where courses ranging from nursery and primary school upto Doctoral/ Post-doctoral degrees are taught and pursued within a walled campus spread over 550 Hectares (1360 acres) and having majestic buildings of great architectural delight. It enshrines within its precincts, a phenomenal range of teaching disciplines incorporating almost all conceivable subjects of Science, Engineering & Technology, Medical Sciences, Humanities, Social Sciences, Commerce, Law, Education, Visual Arts, Performing Arts, Sanskrit VidyaDharm Vigyan, Agriculture, Veterinary Sciences, Library Science, Journalism and a large number of Indian and Foreign Languages.

There are at present 5 departments receiving support under Special Assistance Programme, 7-UGC-Innovative / TRIEA / Other Programme and 3-DST-FIST (Fund for Improvement of Science & Technology) 4 departments/schools are supported under FIST 3 Programme of DST. It also has four colleges admitted to the privileges of the university which are located in the city. The university also

* The seats declared are inclusive of both modes (BHU-RET – Exempted and BHU-RET (BHU-RET/NTA-RET)) of admission.

 # Applicants appearing in NTA's PhD Entrance Test (NTA-RET) should see the test codes of NTA and choose the right code for filling up their forms. The codes are given in Appendix-1 attached to this Information bulletin.

%% The Discipline is common for more than one Faculty. The seats displayed against each are common.

All vacant seats are by default available in DMC (Department in the Main Campus). In case these are available in MMV (Mahila Mahavidyala), AMPG (Arya Mahila P G College) DAV (D.A.V. P.G. College), VCW (Vasanta College for Women) and VKM (Vasant Kanya Mahavidyala) that is mentioned specifically.

Note:

50% of the Seats Declared (as mentioned in column 4 of Table1) shall be filled through BHU-RET – Exempted mode and remaining 50% through NTA's PhD Entrance Test (NTA-RET) or BHU-RET mode as the case may be.

Reservation roaster of the GOI (General, OBC, SC, ST, EWS, PwBD) shall be used separately for RET (BHU/NTA) and RET-Exempted category, i.e. for both modes of admission.

In case, if declared number of seat of a particular discipline is only one (1), and NTA-RET has been conducted in the discipline, then it will be filled through NTA's PhD Entrance Test (NTA-RET) mode. RET exempted candidate need not apply in such discipline. However, if the particular discipline is not in the list of NTA-RET then it will be filled through RET Exempted mode.

If the number of seats declared is more than one and in odd number(s) then after distributing the seats in equal proportion (50:50), the remaining one (1) seat will be filled through NTA-RET or BHU-RET mode as the case may be (as per the description given in point 2 above).

C. Main Discipline – Allied Discipline Combinations For Candidates [Applicable For Ph.D. Registration Only]

To provide an opportunity for inter-disciplinary research a candidate has an option to be admitted to an allied discipline by appearing in the BHU-RET-EXEMPTED/NTA-RET/BHU – RET of related main discipline. The candidates may opt for maximum four choices for the allied disciplines (wherever applicable/available) in addition to their main discipline. The option/ preference needs to be exercised in the application form at the time of submitting application. No such request will be considered at the time of admission. It is the responsibility of the candidate to ensure that he/she is eligible for admission in the allied discipline he/she is applying for. The details of which are as under:

i. A candidate shall be considered for admission if he / she has appeared in the NET/NTA-RET/BHU – RET of the concerned discipline in which he/she has completed Post Graduate Course and fulfils the minimum eligibility conditions (**Section D**).

ii. In such cases, where neither NET is conducted in candidate's PG discipline nor the same is there in NTA-RET / BHU – RET but the subject is mentioned in allied subject(s) (**as per list at Table 1**) of any of the main disciplines, then candidate may appear in the RET of any of the allied discipline closest to his / her main discipline (i.e. in the discipline in which he/she is having PG degree).

iii. In such cases, where candidate has appeared in the NTA-RET of concerned main discipline and willing to apply in other discipline(s) through allied discipline (as per list at Table-1) but the mode of admission in that (those) discipline(s) is BHU-RET, then he/she will be required to appear in the BHU-RET in any one of those disciplines which is closest to his/her discipline.

iv. Further, in a main discipline, the maximum number of admissions that can be given to candidates from allied discipline shall be 20% of the vacancies in the concerned main discipline. This is an upper permissible ceiling. However, if in any discipline, the vacancies are not filled up due to lack of candidates from the main discipline, students from the allied discipline may be admitted with due approval of the University Admission Coordination Board (UACB).

Note:
i. **Candidates seeking admission to the Ph.D. programme are required to give their preferences of main discipline and allied disciplines to the maximum of <u>four (04)</u> choices** in the online Application Form, if available, excluding the main discipline. The choice of allied discipline is however optional and the candidate may go only for main discipline (if seat is available). The choice of discipline once indicated in the Application Form shall be final and shall not be changed subsequently on any ground. (*There can be less than 4 allied disciplines to a main discipline in which case choice will be limited to given allied disciplines only*).

ii. Subject to a candidate qualifying in the main discipline and/or its allied disciplines, he/she can appear in the Interview for admissions, if shortlisted, at such departments as per schedule notified or to be notified later.

iii. For being eligible to apply for NTA-RET/BHU - RET, a candidate must satisfy himself/herself that he/she fulfils the prescribed minimum eligibility requirements. In case, if it is noted at the time of admission that a candidate has qualified examination but does not fulfil the eligibility, his/her candidature will not be considered.

The University reserves the right to withdraw any seat(s) / admission of the discipline in case of any exigency.
