

27<sup>th</sup> August 2020

**NOTIFICATION**

**Subject: Last opportunity for change of most preferred Test City (Choice 1) for the applicants of UET 2020 scheduled between 09<sup>th</sup> -18<sup>th</sup> September 2020**

An opportunity to make change in most preferred test city (choice 1 while filling up the application form) was given to applicants in the 3<sup>rd</sup> week of June 2020 to give a chance to applicants who moved far away from the Test City originally preferred during the lock down to make the desired change. However, there could be few applicants, who could not make change in most preferred Test City (Choice 1) when the opportunity was given to them in June 2020. Therefore, one more opportunity is given to such candidates. The request for change in 'the name of most preferred test city (choice 1)' should be done in the following manner:

1. The applicants should login on the entrance test portal ([www.bhuonline.in](http://www.bhuonline.in)) using their login id and password.
2. They should click on the 'Centre Change' icon. Thereafter, only one city from the list of Test Cities in the dropdown is to be selected, which is near to the applicant's present place of stay and convenient for them.
3. The Test City selected in this manner would be treated as the most preferred Test City of the concerned applicant for all the courses he/she has applied for.

**IMPORTANT NOTE**

- a) The request for change in centre must be received by the University in the aforesaid manner by 30.08.2020. No request for change in Test City after 30.08.2020 will be entertained.
- b) The University shall attempt to accommodate the request for the change in most preferred Test City (choice 1) subject to the availability of examination resources at the test city most preferred. In case vacancy does not exist at the opted city, the applicant shall be accommodated in another city located in a radius of 200 kms from the opted city.
- c) The change in test centre will be entertained only once and change once made will remain final.

JOINT REGISTRAR (UET)
