Dated: 06.11.2023

## Corrigendum

With reference to the eligibility percentage as stated in Clause V under Eligibility Criteria for Selection of the Information Bulletin (DACE-BHU Admission 2023), a correction is made herewith that--50% is required at the Intermediate (+ 2) level, and only pass mark is required at the Under Graduate Level.

Also, students may skip uploading the required documents online while filling up the online form. However, they must produce the hardcopies of all required documents at the time of their counselling and document verification.
